STRIKE CONTINUES BUT TRAINS ARE RUNNING

Railroad Situation Along Monongahela Division Improved

STRIKERS WILL MEET

Arrange to Gather in Pittsburg Sunday---O'Donnell Makes Statement

Freight conditions are improving today under similar conditions to those of Thursday along the Monongahela Division, P. R. R. where close to 500 trainmen are on strike. Work is being provided for new crews, so that it begins to look dark for the strikers getting back to work for the Pennsylvania at all.

Statements issued from strike headquarters in Pittsburg today indicate that meetings will be held on Sunday to instruct those in sympathy with the strike as to the real cause, and to endeavor to influence other railroad workers to go out on strike with them. They are making an effort now to get not only the engineers, firemen and passenger men of the Monongahela division to join them but they are also exerting efforts to have B. & O. and Pittsburg and Lake Erie railroaders to quit work in sympathy, and to get what they term a "square deal." In addition to this the strikes have given notice that they expect to publish a newspaper in Pittsburg, declaring thatt he newspapers have so far not been giving them the treatment they think is due them.

R. L. O'Donnel, general superintendent of the western Pennsylvania division of the railroad authorized a statement today to the effect that freight conditions are so much improved as to indicate that things will be normal by Saturday. He reiterates that the strike is condemned by railroad union organizations. Notices have been issued, says Mr. O'Donnell, by the engineers' and firemens' organizations condeming the strikeing men and telling the members of their organization to continue to do their work when called.

A TRAINED NURSE ENDORSES FORMULA

"It is not only the lay people who are glad to testify to the merits of Vin Hepatica," stated Lieut. Ballard, who is responsible for the introduction of the new tissue builder in the United States, in a recent interview, "but many of those engaged in the medical profession are just as glad to praise its remarkable powers."

Recently Mrs. E. P. C. Averill, who is a trained nurse at the Silver Cross Hospital, Joliet, Ill., stated: "I have taken Vin Hepatica but a short time for catarrh and it has benefited me a great deal."

Vin Hepatica is sold at Pipers Pharmacy, who have the exclusive agency for this remarkable preparation in Charleroi.

LADIES' SESSION UNIQUE

Elks Entertain Royally For Wives and Lady Friends of Members

GOOD MENU PROVIDED

An unique event of Thursday evening was that of the Ladies' Social Session which was held by Charleroi Lodge, No. 494, B. P. O. Elks, at their home. There were probably 150 or more present, and an excellent dinner was served, after which there were events of entertainment presented by an entertainment committee.

The night was reserved particularly for the members of the Elks and their ladies, with the latter being the honor guests.

The program was something after the nature of a cabaret show. Harry C. Hormell was the chairman of the entertainment committee. Ed. Wheeled and August Pancook played a trombone and cornet solo, Floyd Cowen and J. Underwood, Jr., of Roscoe, played a violin duet. Miss Edith Jenkins, daughter of Mr. and Mrs. John Jenkins played a violin solo, Harry Levy, of Brownsville contributed a few "stunts", and a trio from Brownsville consisting of Harry Levy, J. T. Richey and Herman Weiss made fun for the visitors.

The social committee which had charge of the affair consisted of Dr. C. H. Smith, S. W. Sharpnack, W. B. Patterson, W. O. Brinham, W. H. Crawford, George W. Might, and J. W. Mathias. The entertainment committee was composed of Harry C. Hormell, John Jenkins, Fred W. Brady, A. J. Harner, Harry Levy, Ray Drum, and Joseph A. Wheeler.

BERRYMAN'S STORE ATTRACTIVE PLACE

Spring colors prettily arranged, with green as the most striking color, give to the large store of J. W. Berryman and Son an attractive appearance this week, the occasion being the annual spring opening. Thursday was the first day of the opening and today is thesecond day. Many visitors inspected the store the first day and more are on hand today to see the offerings on display.

The Berryman store has several departments and they are all beautiful. The millinery room of course attracts the ladies, and to this point they flock. The hats this year show comparatively conservative models—if a woman's hat can be called conservative. Style creations run largely to the small variety, with what is termed the "bustle" effect among the most popular. Peach basket effects are likewise popular. A peculiar droop over one ear is given by some hats.

In thesuit department the latest in ready to wear garments is being shown. Skirts with wide flouncings, skirts with the pretty tier effect, draped skirts and the peg top variety are popular.

In the dry goods and notions departments pretty effect has been realized through artistic arrangements of goods with attention to harmony in color. Greens are used to enhance the beauty of the decorations.

The men's room naturally enough is where the men like to assemble and enjoy the tasty arrangement of spring styles of male's attire displayed. The carpet room and the curtain and draperies room like the other parts of the store possess much attractiveness.

MINERS RETURN TO CAMP

Marshals Tells Them Again to Stay Away From Colliers, W. Va.

GOVERNOR MAY ACT

The striking coal miners at Colliers, West Virginia, who were ejected from their camping grounds near the mines by United States marshals have petitioned the governor of the state as well as President Wilson to protect them from further persecutions. In accordance with an injunction issued by Federal Judge Dayton, the marshals claim the miners will not be permitted to establish a camp anywhere in West Virginia. After being ejected Wednesday from their camp near Colliers,the miners marched to Steubenville, Ohio, but later returned to Collier that night and established a camp on a hill near the mines. The marshals warned the strikers that they would have to disband and leave or their tents would be burned.

High School Basketball Defeats Monongahela in Deciding Game

COMMUNITIES INVOLVED

Unprecedented Interest Taken in Athletic Affairs---Contest at Pittsburg

After weeks and weeks of wonder and worry, what to the community has been the all important question—the championship of Washington county and the Monongahela valley in high school basketball circles—was decided Thursday night. Charleroi gets the title; Monongahela gets the credit for hard work. To make a long story short the high school teams met at Trees gymnasium in Pittsburg and to Charleroi it is the we came, we saw, we conquered story that is being told around. The score was Charleroi 30, Monongahela 28. The game had to go double extra periods to play off a tie.

Two hundred or more enthusiasts from the two towns went by special cars to attend the performance. Carl Mountsier was virtually the leader of the Charleroi party. The rest of the people in both towns staid up until midnight to find out details of the struggle. On their arrival home the Monongahela party was met by J. H. Finley's drum corps, which played bravely and Charleroi with a quiet display of enthusiasm.

Never were two communities stirred up over anything of the kind than Monongahela and Charleroi were over that third and deciding basketball game. Business men and professional men were concerned.

The exhibition staged in Pittsburg on a neutral floor attracted some of the best known men of both communities in spite of the out-of-way place and difficulties of approach. Even Samuel Downer the Washington county treasurer, felt it necessary to be there. Charleroi rooters had one side of the floor and Monongahela, proudly waving their red and white the other side. Both yelled. Cheer Leaders Hickey of Charleroi and Borland of Monongahela being distinctly on the job.

The game was one of the prettiest and best managed exhibitions ever seen even on a Pittsburg floor. Fred Davis was the referee and A. H. Slack of Pittsburg, was the umpire. They worked together well and proved two particularly competent and fair officials.

Monongahela made the first score on a foul toss by J. Albright. The first quarter was not fast, both teams feeling their way. The quarter ended with Monongahela ahead,the score being 2 to 5. The first half ended with the score in Charleroi's favor 12 to 7. Wagner had the lead on the foul shooting and he was 50 per cent correct in his work, much better than J. Albright.

With the opening of the second half the Charleroi team began to show unprecedented form in their team work, and for a long time it was impossible for Monongahela to break it up. The way it was worked was for Gaut,

REPUBLICAN GAINS.

While the results of the party en-
lment in the boroughs and town-
ships of our own county have not yet been tabulated reports from elsewhere throughout the state, including near-by counties, show large Republican gains. The Democratic party seems to be about holding its own, while the Washington party vote has slumped off about one-half. This means that thousands of Republicans who left the party two years ago and voted with the Washington party are seeing no benefits from a change of administration and are returning to the Republican fold.

Until the party enrollment is made in the cities next month it will be difficult to estimate the probable party vote in the state this fall. It is believed, however, that the enrollment will show a probable Republican vote of 400,000. This is most encouraging to the party leaders, and shows the unmistakable political drift in the state. The enrollment returns thus far are not very definite, but they give the Republicans the most encouragement.

This shows plainly that you are of an affectionate, not to say spoony temperament. To cure this, you should marry the young man as quickly as you can get him to consent. This will cure you of having your hand held by him and the perspiration will not trouble you so much. HOW A BROOKLYN GIRL

Got Strong and Well Again.

Grace D. Lamb of Brooklyn, N. Y., says: "I was all run-down and on the verge of nervous prostration. I could not sleep for pain in my back. In all I was a wreck. A friend told me what Vinol had done for her little girl so I tried it. I noticed an improvement after the first bottle. I could sleep well, my appetite improved and after taking three bottles I am strong and well again."

Vinol is the most efficient strength creator for such women. It is the medicinal elements of the cod's livers contained in Vinol aided by the blood making and strengthening properties of tonic iron which makes it so far superior to all other tonics to build up health and strength for weak, tired ailing women. It contains no oil and has a delicious taste.

We give back your money if Vinol does not do all that we claim. Piper Bros. Druggists, Charleroi, Pa.

AMONG THE THEATRES

THE LYRIC—CHARLEROI

Telling a mysterious and thrilling story, "The Hand Print of Mystery" was one of the headliner attractions at the Lyric theatre this week, being one of the splendid Wednsday night features. In it was featured Alice Joyce and Tom Moore, two of the most famous motion picture actors. ingly pictured events of daily occurrence was a distinct feature, together with "Hearts and Flowers," featuring Francis X. Bushman, and "Criminology and Reform." On Thursday night additional features were shown. Holding chief interest among them was "Back to Broadway," an unique comedy production, and "Physical Culture on the Quarter Circle V Bar" a western comedy. Two other good photoplays of the week were the Bio-graph drama, "His Father's House and "The Ghost of Self" an Essany feature.

COYLE—CHARLEROI

The famous Shakespearian drama, "Merchant of Venice" was one of the leading features pictured at the Coyle theatre this week. It was presented on Wednesday night and large crowds viewed it. In four reels the famous story was told in a way that it could not be told on the legitimate stage. "Heart's Adrift" was another of the leading features of the week. It was a leading feature partly because of the appearance in it of the famous motion picture actress, Mary Pickford. This diminutive and talented young performer never appeared to better advantage than she did in this exquisite production. The story told was unusual and it possessed a peculiar heart interest that with the fine acting made it the whole a remarkable performance.

THE PALACE—CHARLEROI.

Heralded as "The Dutch Boy and Girl," and presenting an act that lent credence to their fine advance press notices, Cook and Myers appeared at the Palace theatre Thursday night for the first of the regular three nights of vaudeville. Their act was a merry bit of song and conversation and being somewhat out of the ordinary, was tremendously interesting. Florence Rayfield, known on the Gus Sun circuit as that clever little girl delighted the Palace patrons. Perhaps the leading vaudeville features however was that of Kendal, Robyns and Co., in their excellent one act dramatic play, "Counsel for the Defense." Their act was indeed above the ordinary. In addition to the vaudeville on Thursday night was presented a three-reel picture, "The Better Man." On Monday Marion Leonard is to appear in "A Rose of Yesterday."

THE STAR—CHARLEROI

Funny actions of western folk in their celebration were pictured this week in a fine comedy production, "A Blowout at Santa Banana," presented at the Star theatre on Wednesday. The picture was shown in two parts. Cowboy cutups held the attention of the audience from the moment the said cutups struck the center of the film until they left it. Another good picture on Wednesday night was "American" with funny Apollo Fred in the leading role. In a Thursday photoplay, Fatty took the part of Rebecca when Rebecca was supposed to get married, and the situation was both complicated and ludicrous. The title of the production was "Rebecca's Wedding Day." The week was strong in Keystone features. Early in the week one of the much enjoyed features was a Keystone film, "Won in a Closet."

THE GRAND—PITTSBURG.

What promises to be the most interesting production from the legitimate field in vaudeville this season is on the calendar at the Grand Opera House for the week beginning Monday afternoon, March 30. It is the engagement of Louis Mann, the distinguished American character actor and late star of the Jules Eckert Goodman's remarkable drama, "The Man Who Stood Still." Mr. Mann will be supported by a company numbering nine, including Emily Ann Wellman, in a condensed version of his later success, "Elevating a Husband."

The remarkable antithesis of vaudeville finds illustration in this bill for among the eats additional to the headline will be the Three Travilla Brothers and their living seal in an exhibition of aquatics that is both picturesque and sensational.

THE DUQUESNE—PITTSBURG.

For the final week of Constance Collier's triumphant special starring engagement with the Harry Davis Players at the Duquesne next week, beginning with matinee Monday, March 30, and continuing twice daily Harry Davis has happily selected Sheridan Knowles' classic tragedy "Virginius," in which Miss Collier will make her farewell appearance as Virginia. At the completion of her engagement with the Davis Players, Miss Collier will go direct to Stratford-on-Avon to participate, as has been her custom for a number of years, with Sir Herbert Tree in the yearly Shakespearean festival, so this will be in reality the last opportunity to see this great actress in one of her most famous roles. The fact that Miss Collier has played the role with Sir Herbert at His Majesty's, London, and throughout the continent, even having been commanded to appear in it before the German Emperor at Berlin, in itself bespeaks her ability to give a portrayal that no one will want to miss seeing. Miss Collier will be ably supported by the new leading man, Mr. Edward Elton, and a selected cast made up from the Davis Players.

Is simple rules of health is daily called attention to by every doctor in the land, whose first question to the patient almost invariably is, "Are your bowels regular?" Yet there's not one person in fifty who takes proper care of the bowels. And the result of this foolish neglect is nine-tenths of all ill-health.

If today you are unable to free your body of waste matter at the usual time, or if the act causes straining, pains and discomfort, *don't let that condition occur again tomorrow.* Unless your bowels can carry away the waste materials left after food is digested, decay sets in, the poisons of which, taken up by the blood, increase the risk of Typhoid Fever, Appendicitis, and many other serious diseases.

In treating constipation, there is a *right way* and a *wrong way.* The *wrong way* is to take harsh purgatives which even though they do clear the bowels, cause griping and nausea, injure the delicate tissues, and so disturb the normal functions as to cause the return of constipation. The *right way* is to help Nature to produce natural movement, without pain or discomfort, by using

Rexall Orderlies

More Than One Hundred Million Were Sold Last Year

This enormous quantity was used with good results by busy men who suffered from constipation, due to lack of exercise, or indigestion caused by overwork—by children whose parents realize the harmful effect of common purgatives—by old people whose systems cannot stand anything harsh—by women during pregnancy, and after childbirth, when any medicine with a violent action would be particularly dangerous. Many of these people are your neighbors and friends. Ask anyone who has ever used them—they'll tell you Rexall Orderlies satisfied and helped them.

—a gentle laxative in the form of a chocolate-tasting tablet. One of these tablets eaten just before going to bed will help to restore your bowels to normal activity *at a time when, your body being at rest, the medicine can do its best work.* As a result of taking that tablet (or say two, if your case is obstinate), *your bowels will move easily and naturally in the morning.* The use of Rexall Orderlies for a few days afterward will restore normal regularity. Even chronic constipation is benefited by them, and *it is not necessary to continue the treatment for a long time, because, instead of driving Nature, they simply help her to help herself.*

Sold only at the more than 7,000 Rexall Stores and in this town only by us.

Had Serious Lung Trouble—Now Well

Sufferers from Lung Trouble are often misled in the belief that nothing will save them. Rest, fresh air, wholesome food and regularity in habits do much in aiding to restore health, but something else is needed. Many people who have taken Eckman's Alterative have testified that it was this medicine which restored them to health. Read this:—

Weldon, Ill.

"Gentlemen: Through your instrumentality I have been saved from a premature grave. On December 14, 1904, I was taken with Typhoid Pneumonia, which developed into Lung Trouble in February, 1905. I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 90 pounds, the doctor having given me no assurance of reaching there alive. On July 14, 1905, I began taking Eckman's wonderful remedy for Lung Trouble. Today I weigh 178 pounds. I am stout and well and can do any kind of work about my grain elevator."

(Above abbreviated; more on request.)

Eckman's Alterative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in upbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists

playing wonderful ball at center, to tap the ball lightly to either Wagner or Stahlman coming up the floor. Then the ball would go to Speers, Lowstuter back to Gaut or to a forward. Presently into the basket the ball would be dumped.

The third quarter ended 21 to 19, favor Charleroi. After that Monon. began to creep up and just a few seconds before the whistle was blown for the end of time, the score was tied at 25 to 25. That necessitated five minutes of extra play. Monongahela jumped ahead two points, but the five minutes extra play ended in another tie 28 to 28.

A rest was taken and agreement was made to play five minutes longer. Somebody whispered. "Quit now and take it to Uniontown," but the suggestion was lost. It was either Stahlman or Gaut—forget which—who broke away from the tie with a field goal in the last extra period. Having acquired the lead again. Charleroi held it safely.

Both the Charleroi and Monongahela teams played beautifully throughout the game, which was truly won on merit. Gaut, Wagner and Stahlman never worked better together and Speers and Lowstuter put up the best game of their career. Wagner received compliments for his fould shooting. Wickerham and J. Albright starred for Monongahela.

Liveliness was apparent in both Monongahela and Charleroi cars on the trip home. The Charleroi car was brought through Monongahela slowly with the crowd inside giving their school yells, and Motorman Bartley Burke offering able assistance through the use of his car whistle. Monongahela school people, though feeling much disappointed, showed good spirit and yelled back.

The lineup of the two teams was as follows:

Charleroi—36		Monongahela—33
Wagner	F	Wickerham
Stahlman	F	J. Albright
Gaut	C	Gramley
Speers	G	Billick
Lowstuter	G	R. Albright

Field goals—Wagner 3, Stahlman 2, Gaut 5, Wickerham 4, J. Albright 5, Billick. Goals from foul—Wagner 11 out of 28, Wickerham 0 out of 2, J. Albright 16 out of 24, Gramley 7 out of 9. Referee—Fred Davis. Umpire—Slack. Timekeeper—J. Clutter, Cooper and Hill.
